**WHEREAS**, on September 20, 2021 the Board of the Village of Lewiston (Village) adopted a bond resolution which authorized a capital improvement project for the Village Department of Public Works (DPW) generally consisting of the construction of two additions along the South and East sides of the existing DPW garage building and the construction of a new standalone build-

ing for volunteers (Project), including, but not limited to, general construction, plumbing, mechanical, and electrical work, as well as other improvements as more fully identified in (or contemplated by) a report prepared by Nussbaumer & Clarke, Inc. in connection with such project, and including all preliminary work and necessary equipment, materials and related site work, and any preliminary costs and other improvements and costs incidental thereto and in connection with the financing thereof, at an estimated maximum cost of \$1,800,000; and **WHEREAS**, the Village publicly advertised the project for construction and subsequently received bids on June 2, 2022 and awarded contracts to the lowest bidders Wargo/Peak Construction (Contract 2022-1G) in the amount of \$1,398,300 and Frey Electric (Contract 2022-1E) in the amount of \$71,000 on June 20, 2022; and **WHEREAS**, previously during the course of routine construction of the project, unforeseen conditions were encountered, in particular poor soil conditions which required additional contractor effort and funding to mitigate; and **WHEREAS**, the Village previously held a Public Hearing on September 18, 2023 at 6:00 pm at Village Hall and entered a Resolution appropriating \$300,000 of Village General Fund balance to the Project to fund costs related to the then
